Open Educational Resources (OER)
SUNY Cobleskill has received seed money to support an OER initiative on our campus. OER are teaching and learning resources that are public domain or have been released under an intellectual property license which permits repurposing.

Search for Materials
- Check out these commonly used resources:
  OPEN NYS
  Open SUNY Textbooks
  Lumen Learning
  Openstax
  More listed on the OER website
- Who on campus can help me?
  Peter Barvoets, Library
  barvoepd@cobleskill.edu x5894

Decide on a Platform to Use
- Request course materials through OPEN NYS. Many platforms available linked in OER website.

SUNY Cobleskill MOA
- The SUNY Cobleskill MOA pertains to the adoption and development of OER. A $1,000 stipend will be rewarded.

Integrate your OER Content with Moodle
- Once you have selected your materials, you may decide to integrate or provide access through Moodle.
- Who on campus can help me?
  Information Technology Services helpdesk. https://helpdesk.cobleskill.edu/

OER lets you control the content of your course, saves students money, and has been shown to improve retention and success rates!
